

Creative Jam Session

Saturday March 12, 2022

@Q Space Berlin

16-19:00

€15

A bi-monthly fixture in the “Aerial In-Depth” series, the Creative Jam session is a mixture of free-training, improvisation and creative play.

We will provide you with impulses and “tools” to help you discover a deeper and more playful relationship to your apparatus.

Each jam session involves new games, challenges and invitations to get creative.

This workshop is suitable for aerialists working on all apparatuses.

Teachers: Sarah Goody and Liz Williams

"Aerial In-depth" is a monthly workshop series brought to you by Seil ist Geil and Q-Space
